Secure Mirrors
are ligature free
and resistant to
breakage..."*

DuraVision™ Maximum Rectangle Secure Mirror

The new range of DuraVision™ Maximum Secure Anti-Ligature Wall Mirrors are designed for use in Prisons, Hospitals, Mental Health and Behavioural Facilities and Municipal Toilets. The tamper proof powder coated steel frame design is ligature free, resistant to breakage and easy to install. The mirror face is made from highly polished stainless steel with 7mm mounting holes which line up with the frame. When the frame is fixed to a flat wall, the mirror is totally encapsulated and cannot be removed without destruction of the frame (ie: the mirror cannot be pulled out from the front). A non-pick sealant can also be applied after installation where the mirror frame makes contact with the walls to reduce ligature risk.

Each mirror is secured with retaining bolts for transportation, packed in a plastic bag and individually boxed in a single cushion carton. Security Head Torx Screws or Rawl Spikes can be supplied as an optional extra.

Care Facilities ..."*

FEATURES and BENEFITS

Mirror quality 1mm 304 Stainless Steel face gives a quality reflection on an unbreakable surface.

Tamper proof encapsulating steel frame is available in 3 sizes and powder coated in Almond or Grey.

The mirror is locked into the unique powder coated steel frame which ensures a virtually ligature free mirror and reduces the risk of the mirror being tampered with.

7mm (9/32") Counter-bore holes designed to take security head fasteners.

Recessed, tamper proof fixings increases security and reduces ligature risk.

Virtually a maintenance free, long lasting, unbreakable mirror system.

Part No.	Size	Mirror Material	Holes	Frame Colour
16258A	400x300mm (16x12")	1mm Stainless Steel	8	Almond
16258G	400x300mm (16x12")	1mm Stianless Steel	8	Grey
16257A	500x400mm (20x16")	1mm Stainless Steel	10	Almond
16257G	500x400mm (20x16")	1mm Stianless Steel	10	Grey
16259A	600x500mm (24x20")	1mm Stainless Steel	12	Almond
16259G	600x500mm (24x20")	1mm Stianless Steel	12	Grey
