## Polycarbonate Half Dome Observation Mirror

The DuraVision™ Half Dome Observation Mirror is a highly versatile unbreakable convex mirror providing a 180 degree wide angle reflection. When optimally positioned, the entire cell can be viewed at a glance from the observation window significantly improving officer and inmate safety.

The Half Dome is ideal for use in cells, day rooms, visitation areas, or any other area that requires wide area surveillance. It is also perfect at T-Junctions, eliminating blind spots around corners.

### FEATURES and BENEFITS

- Mirror quality polycarbonate provides long lasting, quality unbreakable mirror face.
- Distortion free reflective coating for excellent 180° viewing quality.
- Powder coated steel frame for enhanced long life and appearance.
- Unique tamper proof frame is virtually ligature free and very robust.
- Recessed, tamper proof fixings increases security and reduces ligature risk.
- 7mm (9/32") Counter-bore holes designed to take security head fasteners such as Rawl Spikes or Torx Screws. (see Ligature Free Design page)
- Optional Foam Insert to fill cavity and enhance strength (polycarbonate only).

Part Number	Size	Description
17520HD	450x225mm (18x9")	450mm (18") Polycarbonate Half Dome with Frame with 6 x Holes
17537HD	600x300mm (24x12")	600mm (24") Polycarbonate Half Dome with Frame with 7 x Holes
17555HD	900x450mm (36x18")	900mm (36") Polycarbonate Half Dome with Frame with 10 x Holes
21193	450x225mm (18x9")	450mm (18") Half Dome Foam Insert
21194	600x300mm (24x12")	600mm (24") Half Dome Foam Insert
21195	900x450mm (36x18")	900mm (36") Half Dome Foam Insert

Powder coated frame color: Almond/Beige
